

Prof. Dr. Sehnaz Karadeniz

An ophthalmologist, Dr. Karadeniz has been actively involved in the field of diabetes for the past 20 years in a series of medical, scientific and social projects both at national and international levels.

She was the Consultant Ophthalmologist of the Diabetes Div. of Istanbul Medical Faculty of the Istanbul University between the years 1992-2004, of the Diabetes and Metabolism Research and Appl. Unit of the Institute for Experimental Medicine between the years 1994-2004, and a Faculty Member at the Ophthalmology Dept. of Medical Faculty of Istanbul Science University between the years 2006-2014.

Currently she is a Teaching Faculty at the Ophthalmology Dept. of Medical Faculty of Istanbul Science University and also working as an ophthalmologist at the Ophthalmology Dept. of the Istanbul Florence Nightingale Hospital.

She is the Founding Member and Member of the Board of Trustees of the Turkish Diabetes Foundation (TURKDIAB).

She served as the President of the Living with Diabetes Association, a nationwide patients' organisation, between the years 2004-2007, and as a Board Member between 2008-2014.

Dr. Karadeniz joined the board of International Diabetes Federation European Region (IDF Europe) in 2007, and acts as the Chair of IDF European Region as of Dec. 2015.

She is also a Council Member of EASD for the term 2014-2017.

Associate Professor Alice Pik Shan Kong

Dr Alice Pik Shan Kong is Associate Professor in the Department of Medicine and Therapeutics at the Chinese University of Hong Kong, and Honorary Associate Consultant at the Prince of Wales Hospital, Hong Kong. Dr. Kong graduated from the Chinese University of Hong Kong and completed her training in General Medicine and Endocrinology at Queen Elizabeth Hospital, Hong Kong. She had her overseas training as postdoctoral fellow at the Division of Endocrinology, Department of Medicine at University of California, San Diego, United States between 1998 and 1999. She became a Fellow of the Hong Kong Academy of Medicine in 2000, with accreditation in Advanced Internal Medicine, Endocrinology, Diabetes and Metabolism. She is also a Fellow of the Royal College of Physicians, Glasgow and Edinburgh.

Dr. Kong is the Steering Committee Member of Joint Asia Diabetes Evaluation (JADE) program. She is the Vice President of Hong Kong Association for the Study of Obesity. Other professional association memberships include Hong Kong Society of Endocrinology, Metabolism and Reproduction and American Diabetes Association. Dr. Kong's research interests are obesity, insulin resistance and diabetes with particular focus on lifestyle factors including sleep and diet in adults and adolescents. She is an invited reviewer for many local and international journals, including *Annals of Internal Medicine*, *Diabetes*, *Clinical Endocrinology*, *Diabetic Medicine*, etc. She is an Associate Editor of *Primary Care Diabetes* and an editorial board member of *Current Diabetes Reports* and *Clinical Diabetes and Endocrinology*. She has presented at numerous local, regional and international meetings and has published over 180 articles in peer-reviewed journals.

Associate Professor Aziz Nather

MBBS (Sing), FRCS (Ed), FRCS (Glas), MD (Sing), FAMS (Sing)
Senior Consultant, Division of Foot and Ankle Surgery
Chairman of NUH Diabetic Foot Team
Director of NUH Tissue Bank

He received his Surgical Degree in 1978 from University of Edinburgh and University of Glasgow (FRCS Edin, FRCS Glas). He also obtained a Doctor of Medicine Degree in 1988 for his thesis "Fracture healing and revascularisation of a large avascular segment of bone".

1. He is a **Specialist in Bone Allograft Transplantation** and is currently the **Director of the NUH Tissue Bank**

He was the 2nd Past President of the Asia Pacific Association of Surgical Tissue Banking from 2000 to 2002.

He launched the IAEA/ NUS Diploma Training Course for Tissue Bank Operators in the Asia Pacific region in November 1997. He is also editor of IAEA NUS multi-media curriculum on Tissue Banking. The courses have been annually since 1997.

He published 4 books on Tissue Banking :-

- ***Scientific Basis of Tissue Banking*** – Editor A Nather, World Scientific, 2001
- ***Bone and Bone Graft Substitutes***- Editor A Nather, World Scientific, 2005
- ***Radiation in Tissue Banking*** – Editors A Nather, N Yusof & N Hilmy, World Scientific, 2007
- ***Allograft Procurement, Processing and Transplantation*** – Editors A Nather, N Yusof & N Hilmy, World Scientific, 2010
- ***Procurement, Processing and Transplantation of Amnion*** - Editors N Hilmy, N Yusof & A Nather,

2. He is also the **Chairman of the NUH Multi-Disciplinary Diabetic Foot Team** since May 2003

He is the Founding **President of the Asia Pacific Association on Diabetic Limb Problems** set up in Singapore in November 2004. He is currently the **Honorary Secretary General** of this association. Prof Nather ran the inaugural APCDLP Conference and also the 5th APCDLP and the 10th APCDLP Conference in Singapore.

He was appointed Chairman of the **ASEAN Plus Expert Group Forum on the Management of Diabetic Foot Wounds** from November 2012 to November 2014. In this capacity, together with the wound experts from member countries including Singapore, Malaysia, Philippines, Thailand and Sri Lanka, he produced the **ASEAN Plus Guidelines on Management of Diabetic Foot Wounds** in July 2014. Guidelines launched in **Wound Care Summit 2015 on 18th to 19th April in Phuket, Thailand.**

He is also a corresponding member of the International Working Group on the Diabetic Foot of the International Diabetic Federation, The Netherlands, since 2010. He has been reappointed as **Corresponding Member for the International Working Group on the Diabetic Foot of the International Diabetic Federation in 2015 (20th – 23rd May)**
